Advisory Committee Notes:

11 U.S.C. § 1141(d)(5) provides that where the debtor is an individual, the court may grant a discharge pursuant to a confirmed chapter 11 plan after notice and a hearing. This rule is intended to ensure that parties who may be affected by entry of the discharge receive notice and an opportunity to be heard with adequate time to respond prior to entry of the discharge. The motion needs to include adequate information to allow creditors, parties in interest, the United States Trustee and the court to ascertain whether the debtor has satisfied the requirements for entry of a discharge.
